Legal kick techniques to the face and head, executed with control, will be scored as 2 points. Any competitor that kicks an opponent's face or head hard enough to cause bleeding or injury will be disqualified. It will be the judgment of the center referee alone as to whether a technique to the face or head should be counted as a point, a deduction, or a disqualification. Added this year, all 18 years old and above will follow Adult Rules.

Adult Safety Rules

All black belts age 12 -17 will fight under adult rules, which is full contact to the body and full contact to the head.
