OUR MISSION

This mission of Master Pius Martial Arts is to empower individuals of all ages, regardless of size or physical condition. This allows them to excel mentally and physically through Taekwondo and traditional martial arts training.

HISTORY

- ♦ **Courtesy**
- ♦ **Integrity**

ABOUT MASTER PIUS

Chief Instructor

Master Pius Martial Arts was founded in 2004 by Master Pius Ilukhor, a seventh degree Taekwondo Black-belt and member of the World Taekwondo Federation. He's been teaching over 42 years and was inducted into the Kukkiwon Hall of Fame in August of 2011 as a founding father of Taekwondo in Nigeria.

We Offer Classes For All Ages

LITTLE NINJAS (ages 4-6)

Our Little Ninjas program is great for kids that are beginning to develop important motor skills such as balance and coordination. Students will learn basic taekwondo skills while participating in games and exercises. It is important to keep children at this age in a dependable environment where they can learn safely how to interact with others.

LITTLE DRAGONS (ages 7-13)

The next level of taekwondo training begins with our Little Dragons. Students are introduced to Olympic sparring and learn more advanced movements and stances. With classes focusing on individuals instead of teams, children build their skills according to their own level, instilling confidence and a desire to improve themselves.

PERSONAL TRAINING

Our instructor will be available for personal martial arts training by appointment. Both short-term and long-term plans are available to improve the areas that require the most attention.
